Washington, Feb. 1.—At a meeting of the Democratic members of the Ways and Means Committee of the House as it will be constituted on the House as

Mr. Cravath said the relation of corof attack for every line of defence." He said he had no desire to whitewash the corporations, many of which had records that "arouse the anger of the thoughtful and the thoughtful and the thoughtful and the houghtful said Mr. Cravath. He went on to say that he held "the unorthodox view" that Col. Roosevelt when President was "really a conservative force," and that "aroused people and keep the Government in conservative hands until anger and seen the west agreed to whitewash the toen who head the committees on appropriations, agriculture, foreign relations, Indian affairs, military affairs, military affairs, military affairs, military affairs, military affairs, military affairs, mother evening to determine the cost in experimenting to determine the cost and feasibility of carrying in the mails purcels not exceeding eleven pounds. Postmaster-General Hitchcoek was because the unorthodox view that Col. Roosevelt when President was "really a conservative force," and that in mittees alone.

After the meeting to determine the cost in experimenting to determine the cost and feasibility of carrying in the mails purcels not exceeding eleven pounds. Postmaster-General Hitchcoek was because the committee to-day explaining that the means the recommittee on in experimenting to determine the cost and feasibility of carrying in the mails purcels not exceeding eleven pounds. Postmaster-General Hitchcoek was because the means that the means the toright master-General Hitchcoek was because the cost and feasibility of carrying in the mails purcels not exceeding eleven pounds. Postmaster-General Hitchcoek was because the committee to-day explaining the mails and feasibility of carrying in the mails purcels not exceeding eleven pounds. A in conservative hands until anger and passion should yield to calm judgment." At the same time he believed that the Colonel was carried too far in the recent campaign by "his habits of radicalism" and that the result indicated the people are prepared for "greater sobriety in discussion and deliberation in action than would result from following the new standard which he [Col. Roosevett] has

raised."
Mr. Cravath said that the time has come "when the side of the corporations must be presented in such a way that it will be listened to.." Some of the erroneous views which now prevail he attribu-ted to the hurried habit of reading only the headlines in the newspapers. The news columns, he said, were fair, but he news columns, he said, were fair, but he thought that the headlines as a rule had an anti-corporation twist. It would help a great deal, he suggested, if the people would read carefully all that was said on both sides. He spoke of the report of the investigation of the packing industry, saying that in the face of the fact that the report showed that the profit

LEGISLATURE AT WORK. Many Committee Meetings Held and Bills Introduced.

ALBANY, Feb. 1.-The Legislature has been getting down to work this week and yesterday and to-day many committee meetings were held. The introduction of bills keeps on apace. Indication that the Senatorship contest is not expected to be finished before the middle of next week was furnished to-day when Majority Leader Wagner had resolutions adopted providing for the selection separately on Tuesday next in the Senate and Assembly and by both houses jointly Wednesday next at 11:30 of a Regent of the university to succeed Edward Lauterbach of New York city for a full term of twelve years.

The only Democratic candidate so far heard of to succeed Mr. Lauterbach is Abram I. Elkus, the senior member of the New York city law firm of James. Schell and Elkus. Mr. Elkus was educated in the public schools of Manhattan and was graduated from Columbia University and admitted to the bar when he was 20 years of age. He is a member of the Bar Association and of the Democratic, Manhattan, Lotos, Harmonic and Lawvers clubs. Senator George B. Burd (Democrat,

Erie) introduced a bill to-day adding election bets and their publication to the list of gambling acts which are prohibited. Assemblyman Cuvillier to-day intro-

duced a bill, which is another creation nis own mind, providing for the elec-next November of a vice-mayor New York city at a salary of \$5,000. and thereafter a vice-mayor is to be elected whenever a Mayor is to be elected, who is to serve as Mayor in case of necessity instead of the President of the Board of Aldermen.

the Board of Aldermen.
Senator Stilwell has a bill annexing Yonkers to New York city.
A bill of Assemblyman Hoey's provides for the appointment by the Governor of a commission to inquire into the practice of vivisection. The bill is similar to the Goodspeed bill of last year, but eliminates compensation for the commission, a feature which lost the bill

vacancy caused by the death of Edward WASHINGTON, Feb. 1.-Profiting by his B. Whitney, and of Robert L. Luce to be experience in connection with the ad-Surrogate in place of the late Abner R. ministration tariff board bill Champ George Clinton of Buffalo, one of the Clark of Missouri, the Minority leader best known citizens of that city and one intends to ascertain sentiment on Canaof the most prominent Republicans in dian reciprocity before he speaks but dian reciprocity before he speaks but on this subject. When the fight over the tariff board bill was taken up in the House on Monday Mr. Clark found that he was leading only a remnant of the Democratic band. The main body of the Democrats opposed the measure, with the result that Mr. Clark, who supported it, came in for sharp criticism based on the ground that he was out of harmony with his party colleagues. western New York, was at the Hotel Ten Eyck while the manœuvres affecting the United States Senatorship were going on. Mr. Clinton took occasion to express on. Mr. Clinton took occasion to each his opinion on the situation as follows:
"I think that the best Democratic are think that the best Democratic are the section." Republican sentiment in my section of the State would be satisfied and pleased with the election of William F. Sheehan as United States Senator." From letters and telegrams received

his party colleagues.

Uncle Champ does not propose to be caught napping on the Canadian reciprocity agreement. At his instance the Democratic delegations are caucusing on

From letters and telegrams received here it may be stated that the Democrats of the State look upon this deadlock as lamentable. Gen. Edwin A. Merritt, a Republican war horse of the days of Roscoe Conkling, Thomas C. Platt and Chester A. Arthur, and at one time Consul-General to London and the personal friend of Horace Greeley, Edwin D. Morgan, Reuben E. Fenton, Gov. John A. Dix, Abraham Lincoln and all the distinguished men of his party in old times, was here to-day and he said that he had never witnessed in all the many years of his life such a vituation as that which exists here to-day. The General went Two of them met to-day. New York adopted resolutions strongly indorsing the Administration measure. The Virginia the Administration measure the Administration measure. The Virginia Democrats also met, and while they did not formally decide to support the reciprocity proposition the sentiment of the caucus was decidedly favorable to it. By the time a vote is reached on the agreement Minority Leader Clark will be in full information as to Democratic sentiment in the House on Canadian reciprocity. The indications are that of his life such a lituation as that which exists here to-day. The General' went on to say that no candidate for United States Senator or Governor or President or member of the Legislature had ever been nominated except by the methods which have been used here to nominate Mr. Sheehan for United States Senator. Then the General laughed and told how, in recent years especially, the Democrats

sentiment in the House on Canadian reciprocity. The indications are that Mr. Clark and his followers will be practically united in support of it.

Representative Sulzer presided at the meeting of the New York Democrats to-day. He urged favorable action on the agreement. Discussing the Administration proposal Mr. Sulzer said:

"There is nothing more popular in the United States to-day than this reciprocity agreement. It is the greatest thing the President has ever done. It will reduce the cost of living to the people." Then the General laughed and told how, in recent years especially, the Democrats never won a victory that they didn't immediately start in pell mell in their efforts to destroy it.

Touching on and appertaining to the desire yesterday of Senator Emerson and a dozen Republicans to vote for some other candidate for Senator than Depew, William Barnes's Exening Journal Says to-night that the Republicans occupy

President has ever done. It will reduce the cost of living to the people."

Representative Augustus Gardner of Massachusetts, whose district is crowded with fishermen, every one of whom is violently opposed to the free fish paragraph in the agreement, was busy on the floor of the Homse to-day circulating a petition proposing that the McCall bill be made subject to amendment on the floor of the House. Mr. Gardner would not talk about his petition to-night, but it is understood that he did not receive much encouragement, obsays to-night that the Republicans occupy a dignified position and adds: It has been suggested by members of wasting time in voting for Senator Depew that it would be a good idea to vote for Mr. Shepard, Mr. Schurman or some other not receive much encouragement, obised because of his occupancy of public ce. The Hon. James A. Emerson is taining only a dozen or sosignatures.
